ELIO’S LITTLE DISCOVERIES

Again: Behind the Blue Curtain

다시 나누는 빈 의자가 알려 주는 것

11세 · Day 026 · 함께 읽기 · 3장면

Bori could hear him, but she could not see his face. Was he laughing? Was he tired of waiting? She tried to lift the leaf higher. The wooden handle pressed against the cloth, and once again only the point of the leaf appeared.

Elio stood up. From the bench, the top of the curtain was in the way. Perhaps he could see better from the side. He took three steps across the grass. Behind him, the bench was empty. He had not decided to leave.

Bori heard the footsteps moving away. She peered round the edge and saw the empty bench. Perhaps Elio did not want to watch after all. Her puppet drooped. She had heard his words and seen his empty seat, but she had not asked him why.
