ELIO'S LITTLE DISCOVERIES

Two Ideas for One Box

하나의 상자, 서로 다른 생각

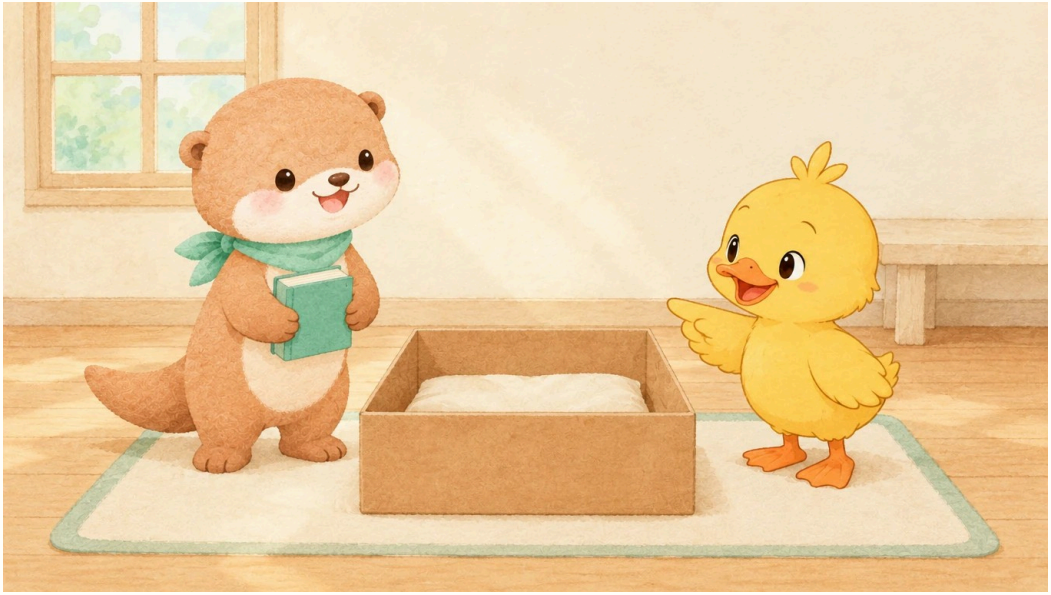

12세 · Day 003 · 함께 읽기 · 4장면

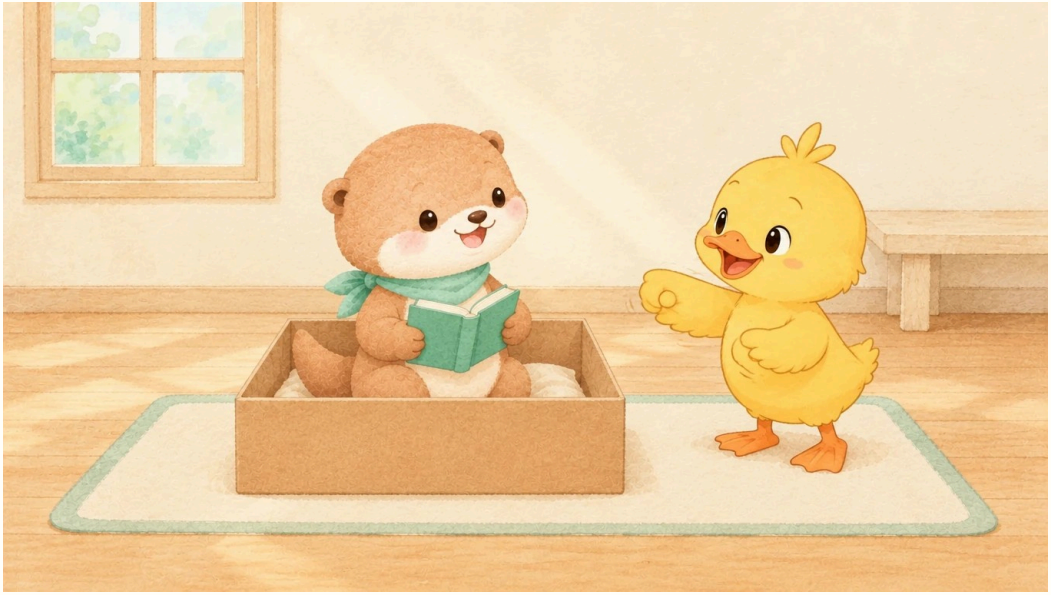

Elio found an empty box on the mat by the window. It was wide enough to sit in, with four low sides and no lid. He looked from the box to his book. A reading corner, he thought. A place of my own.

He put a soft cushion inside and pressed it flat. Then he carried over his green book. The room was bright, but the little space inside the box felt tucked away. Elio was just about to sit down when Bori came in.

“A boat!” said Bori, stopping beside the mat. “Where shall we go?” Elio looked at the same four sides. He could see a quiet corner. Bori could see the start of a journey. Neither of them had moved the box.

Elio sat on the cushion and opened his book. Beside him, Bori spread her wings like oars. “Swish, swish! Here comes a wave!” Elio read the first line twice. The pretend sea was growing louder, and his reading corner was getting smaller.

함께 발견해요

읽기 전

표지의 상자를 보고 두 친구가 무엇을 하고 싶을지 각자 예상해요.

함께 읽을 때

한 묶음을 읽은 뒤 누가 무엇을 원했는지 원문 한 곳을 짚어요. 원하면 그날은 거기서 멈춰요.

생각 나누기

엘리오는 왜 첫 줄을 두 번 읽었을까요? 대화나 행동 한 곳을 다시 보아요.

생활에서

다시 읽고 싶은 대화를 고르거나, 다른 선택을 했다면 다음 장면이 어땠을지 말·글·그림 중 편한 방식으로 표현해요. 실제 상자를 만들거나 들어갈 필요는 없어요.

풍부한 어휘와 대화를 쓰는 함께 읽기 원고예요. 누적 파닉스만으로 통제한 독립 읽기 책으로 표시하지 않아요.
