ELIO'S LITTLE DISCOVERIES

A Turn for Each Idea

먼저 해 보고, 다음을 약속해요

“Wait,” Elio said, closing the book on his knees. “I wanted a quiet place to read.” Bori lowered her wings. “I wanted to take a trip.” They looked at the box again. One box could hold two ideas, but the ideas needed room.

“You could try your boat first,” said Elio. “Then I would like a quiet turn.” He climbed out with his book. The cushion stayed inside. Bori waited until Elio stood beside the mat, then stepped into the box. Nothing had to be rebuilt.

Bori sat down and rowed with her wings. Elio stood beside the boat, holding his book. “A big wave!” she called. He lifted one paw and made a slow wave in the air. The floor stayed dry. Only their story was at sea.

Soon Bori stopped rowing. “Where are we going?” she asked. She had a boat, a cushion and a very good sound for splashing. She did not yet have a destination. Elio looked down at the book in his paws. “We could find one here.”

함께 발견해요

읽기 전

지난 장에서 두 친구가 무엇을 원했는지 함께 떠올려요. 낯설면 앞장을 다시 펼쳐 보고, 오늘도 편한 장면에서 쉬어도 좋아요.

함께 읽을 때

한 묶음을 읽은 뒤 누가 무엇을 원했는지 원문 한 곳을 짚어요. 원하면 그날은 거기서 멈춰요.

생각 나누기

상자는 정말 배로 바뀌었나요? 바닥과 날개를 설명하는 원문을 찾아보아요.

생활에서

다시 읽고 싶은 대화를 고르거나, 다른 선택을 했다면 다음 장면이 어땠을지 말·글·그림 중 편한 방식으로 표현해요. 실제 상자를 만들거나 들어갈 필요는 없어요.

풍부한 어휘와 대화를 쓰는 함께 읽기 원고예요. 누적 파닉스만으로 통제한 독립 읽기 책으로 표시하지 않아요.
