ELIO'S LITTLE DISCOVERIES

Again: Behind the Blue Curtain

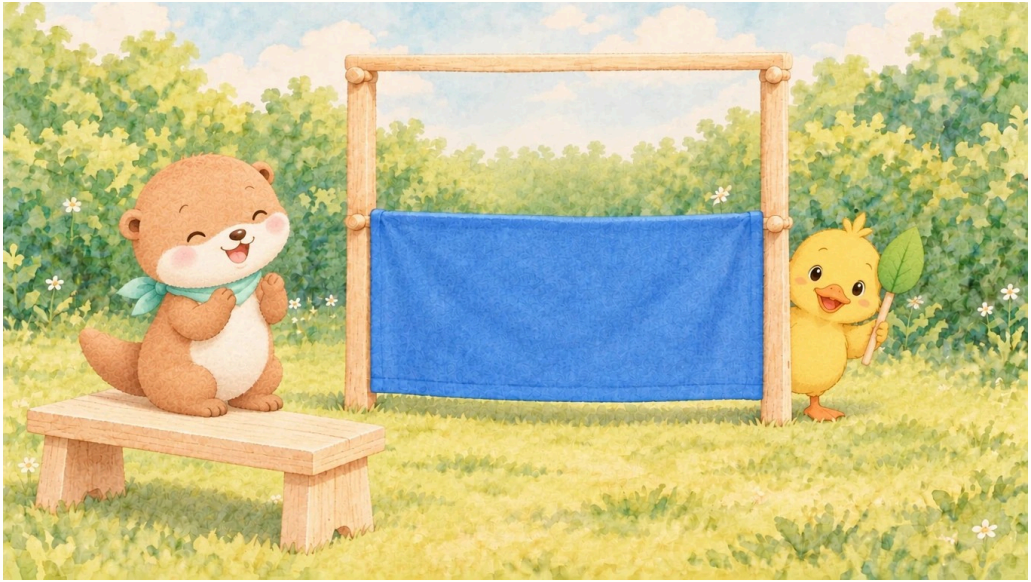

다시 나누는 두 사람이 몰랐던 것

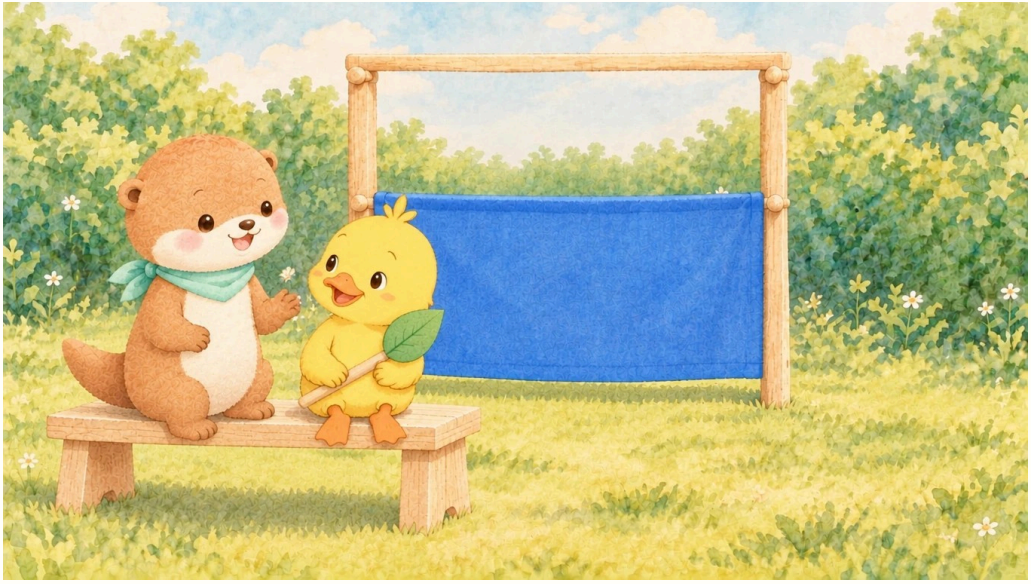

12세 · Day 034 · 함께 읽기 · 3장면

Elio went back to the bench. The leaf swept left, dipped low, and rose again. “Now I can see the dance!” he said. Behind the curtain, Bori heard the same voice as before. This time she knew where Elio was and what he could see.

Bori made the leaf take a bow. Then she peeped round the edge of the curtain, with the puppet beside her. Elio laughed. Bori laughed too. The puppet had meant to be the only performer, but both performers were taking a bow.

After the show, they sat together on the bench. “I thought you wanted to leave,” Bori said. “I thought you were doing a very short dance,” said Elio. They had each seen a different part. Next time, they could ask before deciding what the other one meant.
